PLEASE BECOME A MEMBER OF FRIENDS OF RAINIER SCHOOL

Friends of Rainier (FOR) is the recognized support group of Families, Guardians and Friends of the residents of the state run central core facility, *Rainier School for the Developmentally Disabled* in Buckley Wash. FOR was incorporated as a Federally approved 501 (c) 3 non profit corporation in 1977.

Our stated goals have always been to promote the general welfare of all developmentally disabled people, and especially those at Rainier School. We meet regularly as a group with Rainier School staff, and raise funds to organize socials, parties and picnics on campus.

We also publish a newsletter. A copy of our most recent newsletter is on our website; friendsofrainier.org

FOR is also a UGN approved organization and UGN contributions can be directed to FOR as donations. All contributions are tax deductible.
